

Dear Members & Applicants:

For renewing members, complete and submit this form to the Club Secretary listed on the form by August 31, 2023. Payment may be made via PayPal, check or money order. As a club, we depend on our members to support our activities so that we can be successful. In order for our club to grow, we need members to participate in decisions involving our future by attending club meetings, participating and helping with trials and supporting seminars or fun events.

The main sources of funding for this nonprofit organization are hosting agility trials and payment of membership dues. These funds are used to cover the cost of rent as well as for field and equipment maintenance and purchase of needed equipment and supplies. Other activities such as fun matches, lessons and dog training may be employed to contribute to fund raising. In order to maintain membership in good standing, an individual must attend a minimum of one show and/or club special project per year. We also ask all members to participate in the club by volunteering at DOI trials, serving on the board, or participating in events at the training field. **PLEASE VOLUNTEER! THE CLUB CANNOT EXIST WITHOUT EVERYONE'S PARTICIPATION.**

Benefits of membership:

- All members receive 24/7 access to the DOI field (subject to availability).
- Priority access to all classes at the Zellwood field.
- Discounts on classes taught at the DOI field.
- Title plaques for USDAA and AKC agility titles
- An invitation to the annual Holiday Party.
- Those members who actively participate in the club are eligible for participation on DOI's DACOF team(s) with trial-ready dogs. (Members participating may be expected to pay their own entry fee for DACOF.)

There are two levels of membership. The cost of each reflects the level of participation expected of club members. Both levels of membership require submission with the appropriate fee (\$) and a waiver (includes guest activity) to be signed and submitted to the Club Secretary. We are

excited to have you join us for training, companionship and fun with your four-legged friends and club members.

Gold Membership

This level reflects the full charter of the organization. DOI is a club and, as such, members are expected to share the benefits as well as the burdens required to maintain the organization. This membership level is the more interactive membership, hence a discount that benefits the activity accordingly. **Cost: \$50/year**

Requirements: During the year attend one club meeting and participate in at least one club sponsored activity (i.e. work at a trial or other club activity, become a Board member, serve as Training Director or become Field Manager.)

Benefits: Field use 24/7 with priority over Silver members for field scheduling should that situation occur.

Silver Membership

This level is for those individuals who do not plan to participate in fund raising or club maintenance activities, hence the higher cost on a yearly basis.

Cost: \$100/year

Requirements: Attend a minimum of one show or activity during the year.

Benefits: Field use 24/7 unless occupied by a Gold level member or previously scheduled event.
