Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

**HEIGHT DIVISIONS**

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
8"	8"	For dogs 14 inches and under at the withers
12"	12"	For dogs 18 inches and under at the withers
16"	16"	For dogs 22 inches and under at the withers
20"	20"	For dogs over 22 inches at the withers Regular Dogs may not be entered in this height if they are 22 inches and under.
24"	n/a	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

**MEASURING and HEIGHT CARD INFORMATION**

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete. If a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present, **ALL** dogs without a valid Jump Height Card/Form must be measured before they run. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores. When filling out the entry form, please check the box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*.

## NOTICE TO EXHIBITORS

### SAFETY, BEHAVIOR and LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The CFODC and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The CFODC reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the CFODC or any official thereof. All dogs must be on leash at all times when on trial grounds except when in the designated warm-up area or competing on the course.

### REFUNDS

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee.

Bitches in season will be refunded if withdrawn after closing. Entry fees will be refunded subject to a \$5 processing fee. Notification must be given to the trial secretary no later than one half hour prior to the start of the first class of the day of the trial.

### MOVE-UPS:

Before the trial, dogs may be moved up to a higher class at the request of the owner or handler, as a result of qualifying for an agility title, providing that the request is made in writing to the Trial Secretary no later than 6pm on the Monday before the Trial. Requests after that time will not be accommodated. Dogs so moved up will be entered at the end of the running order. Dogs who earn a title at the trial may move up the following days, providing that the request is made to the Trial Secretary by the close of the trial on the day the title is earned.

### RINGSIDE

Dogs may arrive any time prior to judging if the dog has a valid temporary or permanent jump height card. Otherwise, they must be available for measuring prior to the start of their class if a VMO or AKC Field Rep is available to measure dogs. All dogs not needed for further judging will be excused.

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

This club does not agree to arbitrate claims as set forth on the Official AKC Entry Form for this event.

## COURSE WALK-THROUGHS AND WARM-UP INFORMATION

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent.

A warm-up area, consisting of a regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

## OBSTACLES AND RING CONDITIONS

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. All classes will take place outdoors, no cover on grass. Ring 1- 110 ft. long x 100 ft. wide. Ring 2- 100 ft. long x 120 ft. wide

**INSTRUCTIONS**

Handlers may opt to enter in a higher **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height **division higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or *back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners Program<sup>SM</sup>** may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

**Junior Handlers** should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? \_\_\_\_\_
