CLASSIFICATIONS

Novice A Classes are open to dogs who have not completed any title for that particular element, who have not completed a comparable title with another organization, and whose handlers are neither Scent Work judges, nor have ever worked as professional detection dog handlers.

Novice B Classes are open to all dogs.

Advanced Classes are open to dogs who have achieved the Novice title for that particular element. **Excellent Classes** are open to dogs who have achieved the Advanced title for that particular element. **Master Classes** are open to dogs that have achieved the Excellent title for that particular element.

Detective class is open to dogs who have achieved a Master title in any Odor Element.

Handler Discrimination classes are titling classes in which the targeted scent is that of the handlers themselves.

Handlers are required to provide their own scented articles in a plastic bag. For the Novice class, one cotton glove or cotton sock, for Advanced, Excellent, and Master, cotton balls or cotton swabs. Three qualifying scores are required to earn titles in each class. Handlers may utilize any method to scent their article except by applying oils used for Odor elements.

SEARCH AREA AND RING CONDITIONS

Search Area Conditions. Searches may be indoors, on concrete, matted, carpeted, tiled or other suitable surface, or outdoors on grass, gravel, earth, concrete, or asphalt surfaces. This facility is ADA accessible but may require maneuvering thru sand and narrow passages. Walking in sand may be required.

Search Area Sizes Refer to the Scentwork Regulations for search area sizes and other requirements. Search areas may be of any shape and of the size specified in the Regulations for each class.

Exhibitors MUST check-in for each trial in which they are entered. *Time listed are approximate and may change after entries close or on the day of trial.*

Notice to Exhibitors

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The Lake Eustis Kennel Club, Inc. and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The Lake Eustis Kennel Club, Inc. reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the Lake Eustis Kennel Club, Inc. or any official thereof.

Collars, Leashes and Harnesses: While not actively searching, dogs MUST be on a fixed length 6' or shorter leash, INCLUDING entering and exiting search areas. During searches, dogs must wear a properly fitted collar or harness approved by the judge. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. STAGING AREA, HANDLER’S BRIEFING, AND WARM-UP INFORMATION

Staging Area will be out of the view of the search areas. Staging area will include crating, warm-up and waiting areas as well as the secretary table for checking of results. No smoking on the premises allowed.

PARKING Ample parking is available. Limited RV hook ups available. Dry RV camping with reservations.

Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Handlers Briefing will be conducted prior to each class and level. There will be a group briefing prior to the start of each day’s judging.

Warm-up Area One labelled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area as well. The warm-up area is not for training or relieving of the dog. (Chapter 5, Section 34 of the Scent Work Regulations).

Trial Site. It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future. (Chapter 3, Section 15 of the Scent Work Regulations).

Crating: Crating will be outdoors under tents or from your personal vehicle NO Running of engines near other car. If you wish to run your engine, you may do so at the top of the fenced in property near the main road.

There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area”.

- Qualifying Score...* *Dark Green*

New Title ribbon will be awarded to all dog and handler teams finishing a title.

HIGH IN TRIAL & HIGH COMBINED DIVISION

High In Trial: Teams must enter and qualify in all standard tilting elements offered that day within the same level. HIT is awarded to the team with the fewest faults and fastest cumulative time. HIT is awarded in each level. Novice A and B are scored together and only one HIT will be awarded for Novice. If there is a tie based on faults, the team with the fastest times across the elements will be named High in Trial. The High in Trial award is not recognized by AKC.

Teams winning HIT and HC will earn a special ribbon.

High Combined Division: Only teams who participate in the same difficulty level in all elements plus Handler Discrimination, and qualify in each, are eligible to win High Combined Division. The High Combined Division award is determined by adding a team’s faults across all classes. The team with the fewest faults will be declared the winner of the High Combined Division.
